Work Experience

Information Technology Tutor

University Of Venda-Limpopo
March 2024 to Present

IT tutor I am responsible for imparting technical knowledge, developing practical skills, and preparing students for successful careers in the information technology field. My role is multifaceted, combining teaching, mentorship, project supervision, and continuous professional development to ensure students receive a comprehensive and up-to-date education in IT.

Cabin Counselor

Camp Loyaltown-Hunter, NY
June 2019 to August 2019

1. A cabin counselor is a leader, mentor, caretaker, and activity facilitator, playing a vital role in ensuring the well-being, safety, and positive experience of campers. I contributed significantly to the campers development and the overall success of the camp.
